**The Laura Bush Foundation for America's Libraries Awards More Than
\$1.09 Million in Grants to School Libraries**
Grants Will Help 190 School Libraries Buy Books

Fort Worth – Today The Laura Bush Foundation for America's Libraries announced that 190 school libraries are being awarded \$1,097,104 in grants for 2008. The schools receive grants of up to \$6,000 to expand, update and diversify their library book collections.

Mrs. Bush joined the Foundation in making the announcement at the Fort Worth Independent School District offices in Fort Worth, Texas. M.L. Kirkpatrick Elementary School of Fort Worth is one of the schools receiving a grant.

The Laura Bush Foundation for America's Libraries was founded in 2002 as a fund of The Community Foundation for the National Capital Region. Since its inception, the Laura Bush Foundation has awarded more than \$5.4 million to 1,087 schools in all 50 states, the District of Columbia, Puerto Rico and the U.S. Virgin Islands.

The grant application process is administered by The Community Foundation for the National Capital Region with guidance from The Laura Bush Foundation's Advisory Committee. The grants are funded through generous donations to the endowment from individuals, corporations and foundations.

The mission of the Laura Bush Foundation for America's Libraries is to support the education of our nation's children by providing funds to update, extend and diversify the book and print collections of America's school libraries. Further information is available at www.laurabushfoundation.org
